

**The Loppet Foundation
Trail Kids Nordic Ski Coach**

The Loppet Foundation's mission is connecting people to the outdoors through experiences that grow community. We value anti-racism, collaboration, growth, inclusion, play, stewardship and well-being. The foundation provides quality programming for youth and adults, produces world class adventures and sporting events, and strives to create a welcoming and inclusive community in its operations in Theodore Wirth Park. The Loppet staff are dedicated and energetic individuals who work together leveraging the various aspects of the Foundation to create a whole that is more than the sum of its parts.

The Loppet Foundation is seeking part time nordic ski coaches for our Trail Kids Ski programs. Trail Kids programs center on general physical development, teaching sport-specific skills, and creating a passion in youth for outdoor endurance sports. Trail Kids coaches will be present during our youth programs to deliver a curriculum that focuses on having fun, making friends, and gaining confidence in the sport. Primarily, coaches lead instruction of various ski skills, facilitate games and drills to practice said skills, and supervise group skis on the nordic trails.
