

The Loppet Foundation is hiring a crew of fun, enthusiastic counselors for the 2019 summer camp season! This year, camp will run out of the Trailhead -- bringing new opportunities for adventure! Creative, active young people with a passion for working with youth are encouraged to apply!

Camp dates -- candidates must be able to commit to at least 7 of the following:

Session I June 10 - 14	Session II June 17 - 21	Session III June 24 - 28	Session IV July 8 - 12	Session V July 15 - 19
Session VI (Girls-Only) July 22 - 26	Session VII July 29 - 2	Session VIII Aug. 5 - 9	Session IX Aug. 12 - 16	

You will spend 8 a.m. - 4 p.m. facilitating and leading mountain biking. We often get Campers who have never ridden trails before, so a full breadth of skill is needed to assist those campers -- as well as campers who ride every day -- meet their goals for the week.

Adventure Campers will look to you for instruction, safety, and fun. Accordingly, we are looking for leaders who are:

- at least 18 years old;
- CPR certified;
- HeadsUp Concussion and SafeSport trained (which the Loppet will provide);
- Experience with NICA, IMBA, or some equivalent cycling organization;
- Preferably, having had some experience in youth work.
